Complex modeling IMPORTANT:
For the 3ds Max plugin to work

properly you must use the 2013 version of the plugin (it will NOT work with the version shipped with 3ds Max 2014). If you use a version from 2013 or later, you should be able to download it from the Chaos Group web site: Make sure that you have all the required the plugins your PHIXs files and you can proceed. If you use a version from 2013 or later, you should be able to download it from the Chaos Group web site: Make sure that you have all the
